It's for DC. I was going to discuss the letter from Gov, the MOA on WRDA, the NEPA-404 MOU, and the Whole BDCP Basic and overall Purpose statements. I'd like to have it done by Tuesday or sooner.

Hey Mike,

Thanks for sending David Nawi an update on things 404. He reviewed it on today's call.

Can you give us more context on the briefing paper? Is it local or for DC?

What is the turn around time?

I'll talk to Tom and we'll get back to you.

I need to write a briefing memo to my superiors on a number of recent BDCP related events. One of those is EPA objection to a whole BDCP basic and overall purpose statement. I'd appreciate having some bullets from you to put in the memo. I will also be asking DWR for some bullets as to why they feel its useful. Thanks
